

Congratulations

TO THE WINNERS OF THE
SPRING 2011

PARADE of HOMES™

"Building More than Homes, Building Communities"

Platinum and Gold winners were selected for multiple price ranges within the building categories of Production Builders, Custom Builders, Multi-Family, Remodel and Community. Merit Awards also were presented to the best judged feature of each home. Of the 17 total entries in this Parade, the following homes were selected by impartial industry professionals as the best of the best.
